Essay Questions:

- The number of people involved in production agriculture has been in steady decline over the past century, creating a greater disconnect between the general public and farmers. Please describe your connection to agriculture and how you plan to maintain that connection in your future. (In 300 words or less - Please type and attach your response).
- Integrity is important, but far too uncommon today. Describe what integrity means to you and provide an example of a time you displayed integrity. (In 300 words or less – Please type and attach your response).
