

Student/(Parent-Guardian) Agree To:

1. Pay for the animals along with any extra feed or vet bills incurred by the Learning Center.
(if bills are not paid prior to sale date—they will be sold by the Learning Center and student will receive any profit or loss owed).
2. Keep pens clean and neat.
3. Pick up any trash in or around buildings.
4. Student will work 3 hours per week doing maintenance at the Learning Center.
(work assignments for each week will be assigned each Tuesday Morning workday at 9am)
5. If you are unable to make a Litton Center workday you must notify ag teacher, Lance Martin.
6. Students will cooperate and be respectful of other students, FFA Advisors, and visitors.
7. Clean out their stall/pen after selling the animal.
8. Other assignments as they arise.

The Learning Center has visitors daily so it is important that we present a positive image of Agriculture to them by keeping the animals and facilities in their best condition.

The Learning Center/Advisors Agree To:

1. Advise student in regard to animal care.
2. Organize the maintenance schedule.
3. Organize transportation for animals to fairs.
4. Sell any animals that are not receiving proper care.
5. Provide housing for animals free of charge.

By signing this application and agreement, I agree to uphold all duties and responsibilities required and outlined in this application. The completion of this application does not guarantee housing for the applicant at the Litton Agri-Science Learning Center. Applicants will be notified of housing by March 1st of the current school year.

Completed applications should be mailed to: Litton Agri-Science Learning Center, LIV 235, Chillicothe, MO 64601.
