Chillicothe FFA Starts Trapshooting Teams

Twenty Chillicothe FFA members have dedicated their time and effort into making three successful trapshooting teams. Students had to pass the Missouri Department of Conservation Hunter Education program before they began practices at Pin Oak Hill Game Management Area.

The objective of the trapshooting team is to involve students in the highest standards of safety, sportsmanship, ethical behavior, along with safe and responsible use of firearms. The program also helps members develop self-confidence, personal discipline, sportsmanship and teamwork.

The first competition the team attended was held at the University of Central Missouri at Warrensburg. The university has shooting facilities on the school farm. One of Chillicothe's shooting squads placed second out of 52 teams.

The State High School/FFA Trapshoot was held at Linn Creek, MO at the Missouri Trapshooter's Association Venue. Even after a cold snowy start, Chillicothe won the Area 2 division of the FFA Shoot.

Due to the hard work and dedication of twenty Chillicothe FFA members, the trapshooting team had a successful year. They not only brought home plaques, but created a team that will allow future FFA members to benefit.
