## Chillicothe FFA Chapter Earns Top Chapter Award

Chillicothe FFA placed 28th out of 311 chapters in the state, earning the Top Chapter Award at the 80th Missouri FFA Convention. Only 10 percent of state chapters receive the Top Chapter Award each year. Chapter activity awards, sponsored by FCS Financial, are given to chapters achieving excellence in student, chapter and community development.

The Chillicothe FFA student development activities included participating in Relay for Life. Any member is able to come to the event and either walk or work the activity booth to help raise money and support those suffering from cancer. All chapter members were recognized for their leadership and outstanding achievements at the annual chapter awards banquet. Approximately \$15,000 in scholarships and awards were presented. Every member present introduced themselves to the over 400 people in attendance. Chapter development activities are designed to promote excellence within the chapter. Chapter members also worked closely with the FFA Alumni to maintain the Litton Agri-Science Learning Center, to host two jackpot swine shows and to help the Livingston County Fair run smoothly. Chillicothe's community development has volunteered to cultivate a yard for the Habitat for Humanity house recipients. The intermediate agricultural science class spent a week picking up rocks, tilling, seeding, fertilizing, mulching, rolling and watering the yard. Also, each year, Chillicothe's chapter along with Family Career & Community Leaders of America and the Community Blood Drive Center of St. Joseph, Mo., conduct two blood drives in February. Chapter members register donors and encourage people within their schools and community to donate.

The top chapters are submitted to the National FFA Organization where they compete for the National FFA Chapter Award. The competition will be this fall at the National FFA Convention in Indianapolis, Indiana.
